24) Out-going term Seats ordered to be filled up by nomination, Mr Rama Chandran who is now representing Factory Labour in the R.A. has been ordered the Continuance for another term to represent that interest.

Draft D.O.T Calling for proposals Submitted.

D. 157/1-37 Drafts are submitted for approval.

25 If it is finally decided to nominate Mr Ramachandran to represent 'Factory Labour' in the R.A., no consultation in regard to a candidate to represent that interest would be necessary. It is however submitted that Mr Ramachandran now represents 'Factory Labour' in the R.A. as 'Labour' in the L.C. As under the revised rules no person can be a member of both the Houses, Mr Ramachandran cannot have his seat in the L.C., if he is nominated to the R.A. as now proposed. As there is no suitable organisation now for 'Labour' which can be asked to return a member to the L.C. representing that special interest, it may be felt difficult to find a suitable Successor to Mr Ramachandran in the L.C. to represent the special interest of 'Labour'.

Dear Sir,

I beg permission to approach you with the request that my name may be kindly recommended to Government for nomination to the Representative Assembly to be reconstituted in June 1937, to represent the special interests of co-operations. You are aware of the work I have all along been doing for the promotion of co-operation and the public work that myself and my dear father, have rendered and are still rendering for the wel-fare and happiness of our people. It may not be out of place to mention here that my father has so far contributed to the extent of over Rs.15,000/- for religious and charitable purposes. Besides, he has rendered public service as a member of Representative Assembly, District Board Member and Municipal Counciler, Honorary Bench Magistrate, as Dharmadarsi - of temples, and as a Director of our Town Co-operative Society. In recognition of his meritorious public services he was awarded Public Service Certificate in the year 1932, and a Public Service Medal in the year 1933 by His Highness the Maharaja of Mysore. It has all along been my ambition to follow the foot steps of my respected father and I have not spared efforts to associate myself in the activities both public and private that are calculated for the advancement of my people.

In addition to other public work in the field of Education, Boy Scout movement, etc., you are perhaps aware that I have thrown myself heart and soul into the field of co-operation and I have been actively connected with the management of the Local Co-operative Society for the last 3 years or more. You are personally aware. Sir, of the

the disinterested work I have rendered to effect tangible improvement, in the position of that Society. If better opportunities are offorded, I beg to assure you that I am capable of rendering substantial service for the advancement of the cause of co-operation in the State.

In view of the above facts and having regard to my social status and the public confidence I have been able to command, I request ~~you~~ that you will kindly take my case into sympathetic consideration and recommend my name for ~~the~~ nomination to represent the special interest of co-operation in the Representative Assembly to be reconstituted.

I have herein enclosed, for favour of kind perusal, a statement showing the various public activities in which I have taken part and for which I have now been contributing my time and energy.

Thanking you for a favoirable consideration of my request.

Respected Sir,

I the undersigned beg to submit that I am a candidate seeking nomination to the Mysore Representative Assembly through the Mysore Agricultural Department.

In this connection I am to mention that I am doing decent work according to the advice and suggestions made by your Department and also, as you are aware I am maintaining an experimental Farm.

I am adopting a scientific system of sugar-cane cultivation on moderan methods and my work is very well appreciated by the Government as well as by the public.

I have sustained a heavy loss in the recent Tobacco operations at Sabbanahalli, conducted under the guidance of the Agricultural Department. Though the loss is very heavy, I have taken it as a delight to encourage and continue the Tobacco operations at would give better knowledge and instructive to others, to further the Tobacco cultivation throught the State. You are aware that I am maintaining a Flock of Marena Half breed Sheep and they are recognised to be the most superior in quality and even in the Mysore State no Farm can boast of such a fine quality as this.

P.T.O.

G9

All these above facts show that in fact I am maintain -ing an experimental Farm at Sabbanahalli at a heavy cost. I was a member of the Board of Agriculture, for a long time and even at present I continue to be a member of the Mana- -ging Committee of the Mysore Agricultural Unioh.

As the Mysore Agricultural Department has ~~gm~~ not given me any chance till now, to recommend my case to Government for nominating me as a member of the Mysore Representative Assembly, I request you to kindly favour me with your -- valuable recommendation and refer the matter to Governmentxf for nominating me as a member of the Mysore Representative Assembly as a recognition of my services.

For which act of kindness I shall ever be grateful.
